

Understanding Neurological and Behavioral Disorders

Date: May 15th, 2008
Time: 7pm—9pm
Location: The Advocacy Center
590 South Ave
Rochester, NY 14620

Presenter: Kathy Giordano
Tourette Advocacy and
Support Coordinator
The Advocacy Center

This workshop includes an overview of neurological disabilities including Tourette syndrome and related disorders. Participants will learn how neurological disabilities may result in difficult behaviors and how positive interventions can be used to support a child with Tourette, ADD, ADHD, Autism and other related disabilities.

Audience: Parents and Professionals
Pre-Registration is required:

Free for parents; Registration fee of \$15 for professionals
